DAY 1

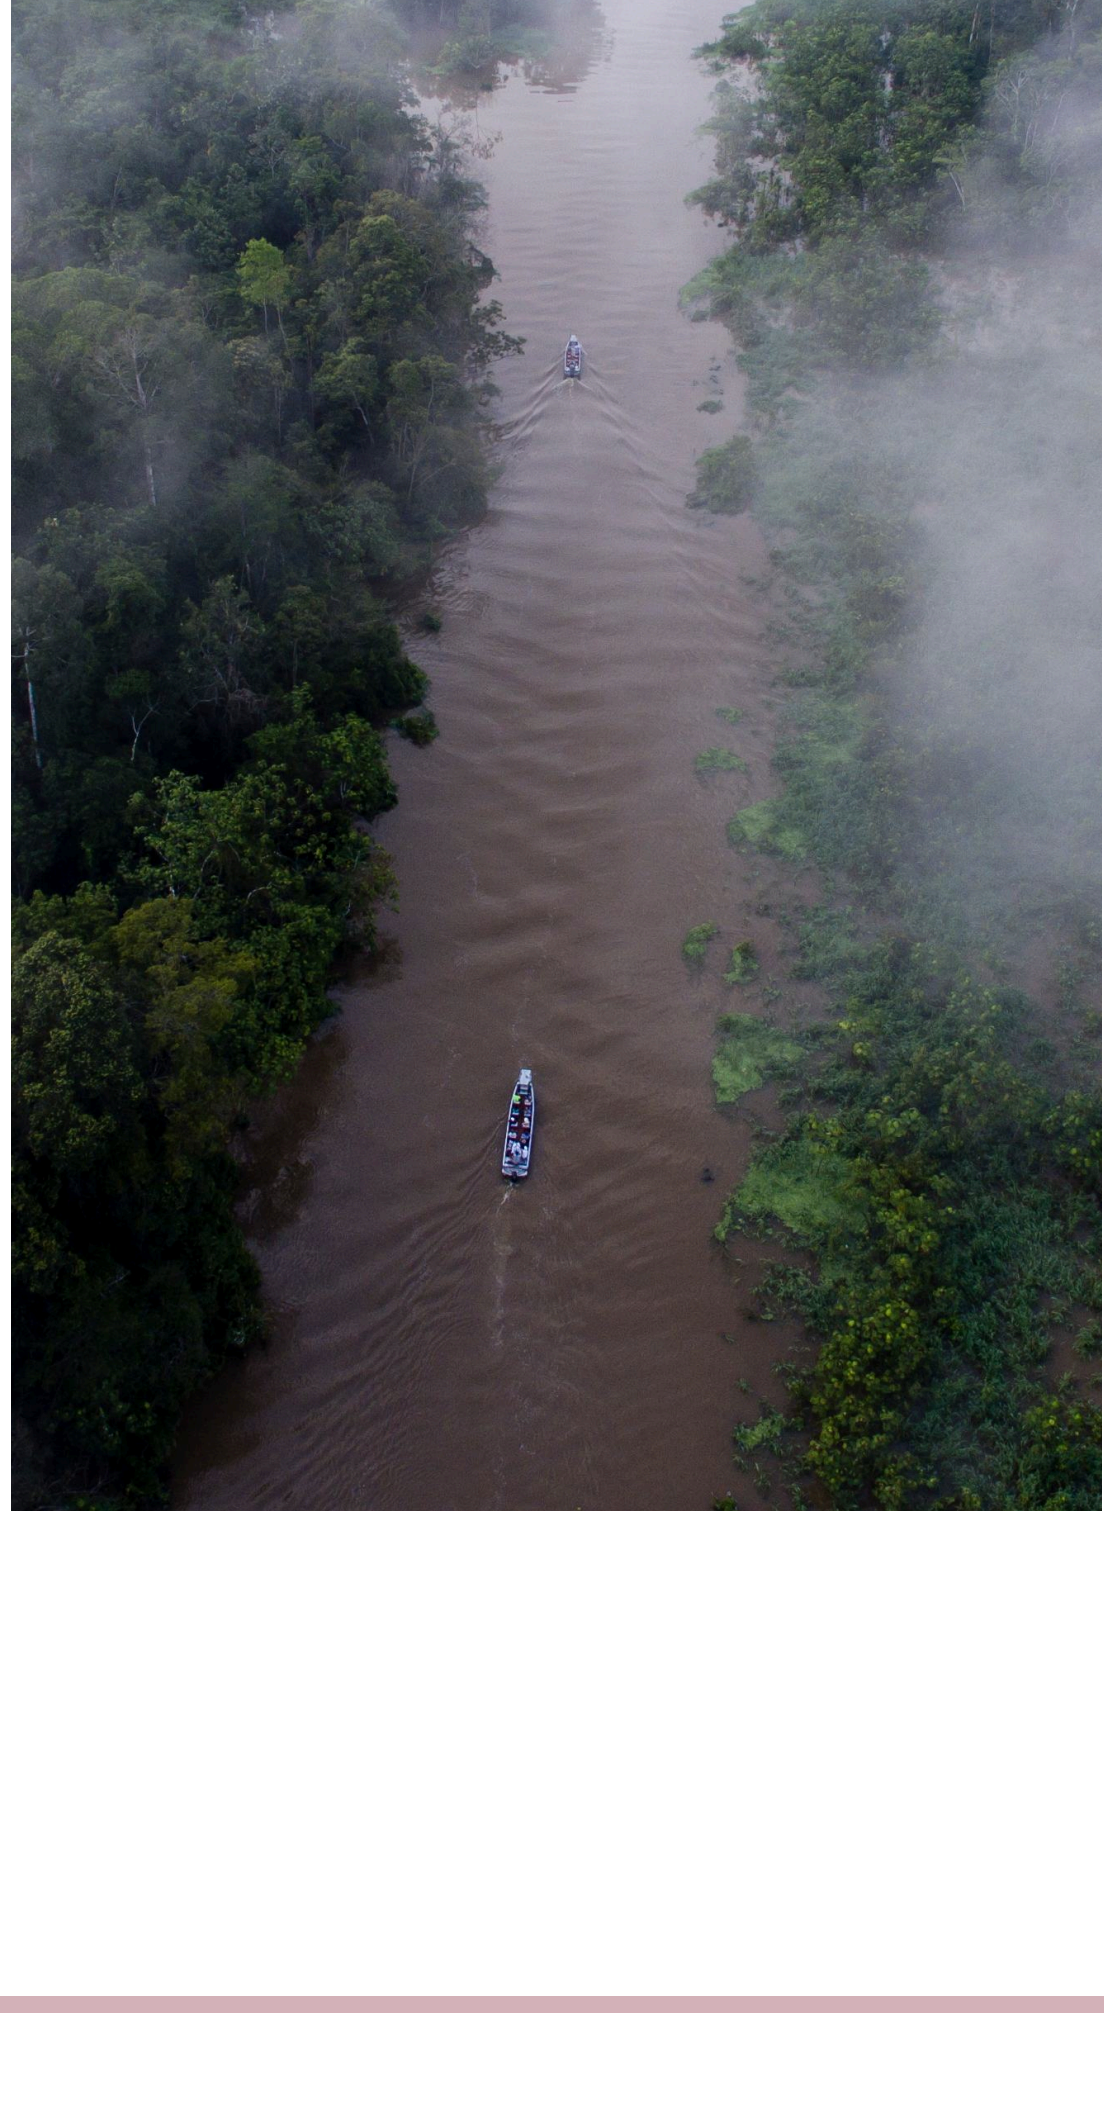

• EMBARKATION & FIRST ENCOUNTERS

Your journey begins in Iquitos, a vibrant gateway city surrounded by jungle and water. Our team welcomes you at the airport and accompanies you in comfort aboard our private vehicle. As you journey toward Nauta, a nourishing lunchbox eases you into the rhythms of the rainforest.

In Nauta, one of the oldest towns in Loreto, you'll be greeted at our private embarkation port. Here begins your intimate encounter with the Amazon. Step aboard your Delfin vessel and settle into your suite –an oasis of calm crafted with local elegance, from handwoven details to natural cotton comforts and your own private terrace.

As the vessel glides into the waters of the Marañón River, join your naturalist guide in the observation lounge for an overview of the journey ahead—its landscapes, wildlife, history, and wonder.

At twilight, set out on your first skiff excursion through the seasonally flooded forest. The high waters bring you closer to the treetops, where monkeys leap between branches and colorful birds perch just overhead. As the sun sets, the forest shifts into another world. Search for caimans, owls, and other nocturnal creatures under a starlit canopy. This is the Amazon in high water—immersive, thriving, unforgettable.

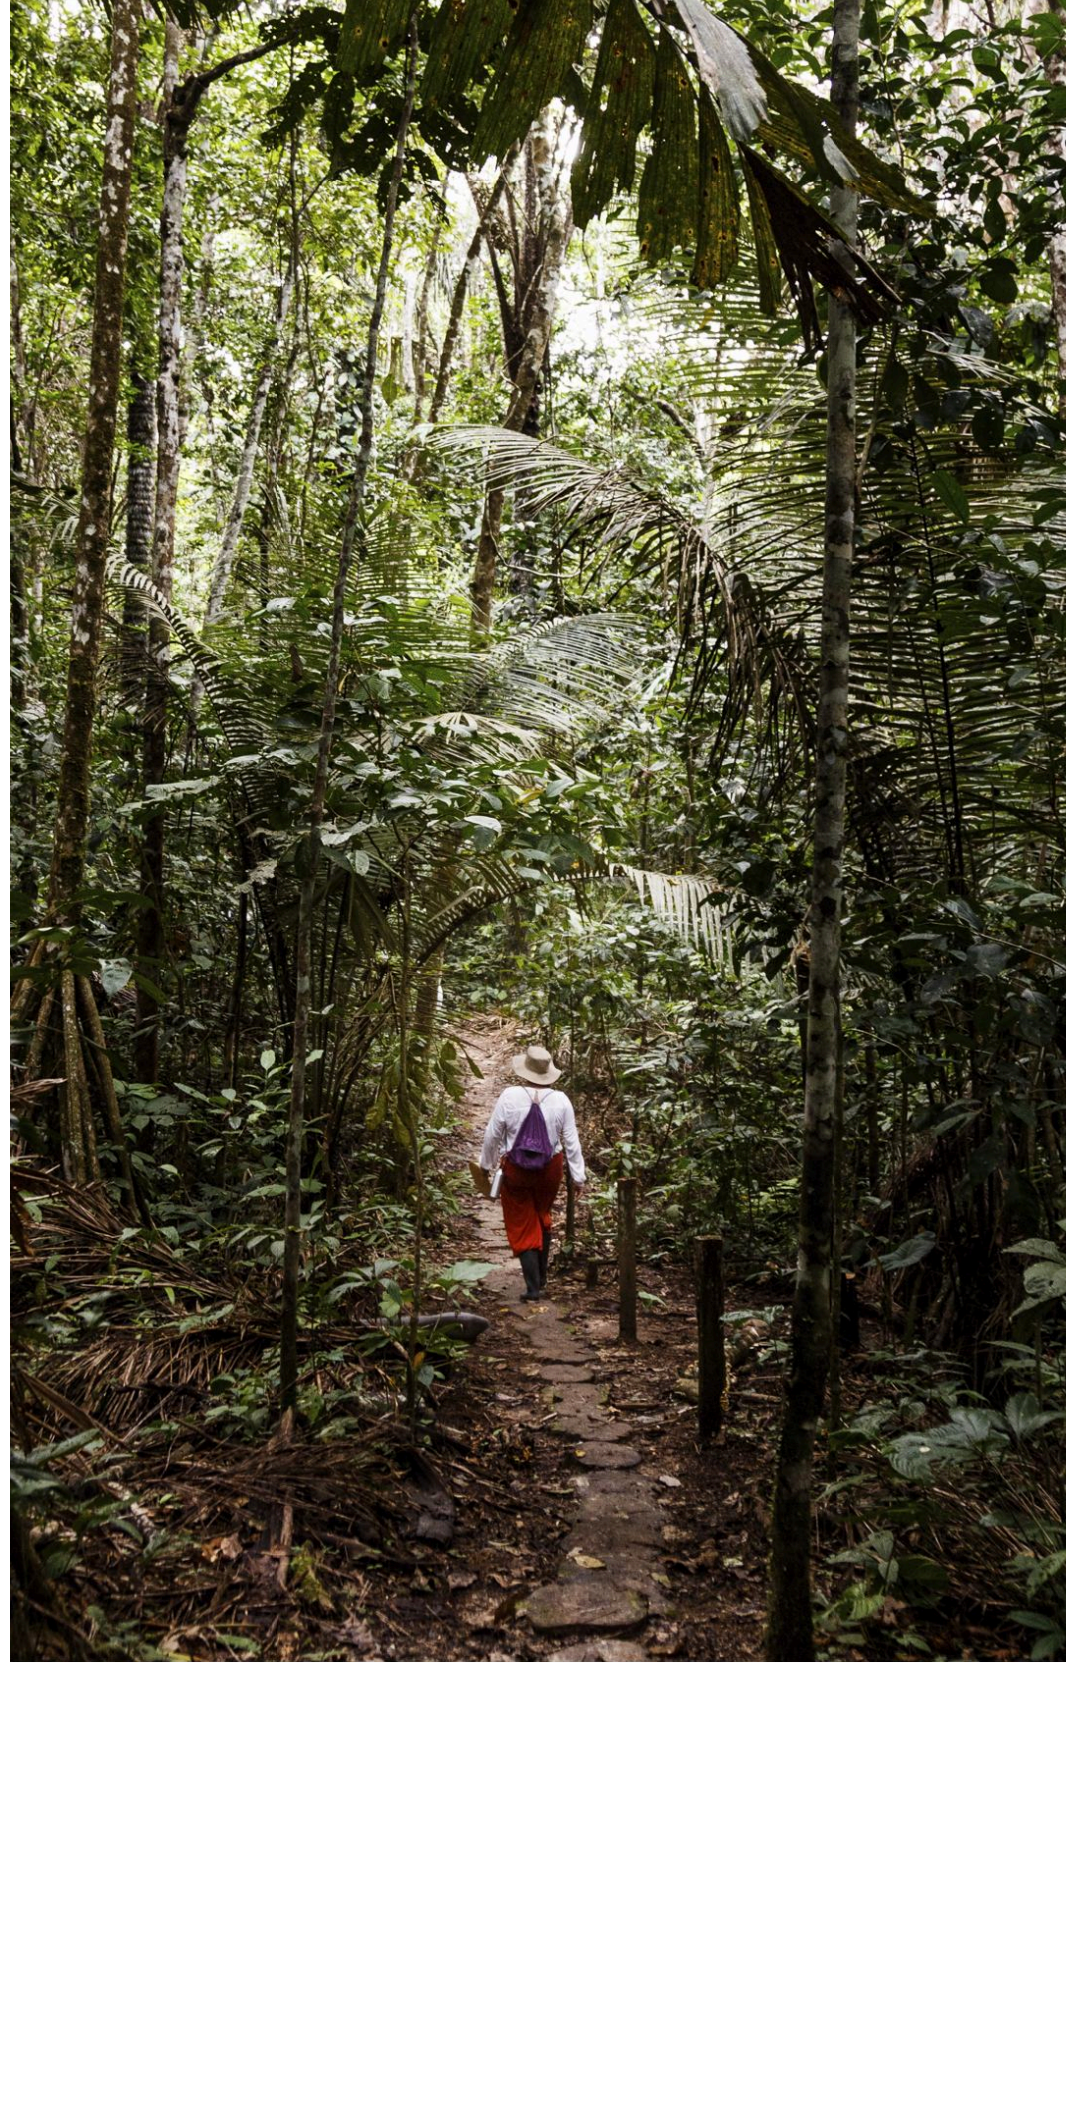

DAY 2

• SECRETS OF THE LIVING FOREST

This morning, step into the Amazon Natural Park, where the lush trails guide you into the ancient wisdom of the jungle. Along the way, discover the secrets of medicinal plants that have sustained local communities for generations. Your experience deepens as you join a shaman in a traditional ceremony, an intimate ritual that connects you to the spiritual essence of the rainforest.

In the afternoon, the Yanayacu Pucate River invites you to adventure on its mirrored waters. Glide silently by kayak, surrounded by the flooded forest and the vibrant calls of the Amazon's wildlife—a perspective of the rainforest that few ever experience.

DAY 3

• JOURNEYS THROUGH THE AMAZON

In the morning, step into the rainforest at Fundo Casual for a guided trail walk. This area is home to towering ceiba trees, vibrant flora, and fascinating wildlife. As you walk under the forest canopy, your naturalist guide will reveal the ecological wonders and hidden stories of the Amazon.

In the afternoon, the calm waters of Nauta Caño invite you to try your hand at the traditional art of piranha fishing, surrounded by the symphony of the flooded forest. After dinner, return to Nauta Caño for a night safari, where the jungle transforms under starlight. Caimans, owls, and other nocturnal creatures emerge, offering a thrilling glimpse of the Amazon after dark.

DAY 4

• WHERE RIVERS AND LIVES MEET

Before breakfast, witness one of the Amazon's most breathtaking sights: the Confluence of the Rivers, where the Ucayali and Marañón join to give birth to the mighty Amazon River. This natural wonder is a powerful reminder of the vastness and unity of the rainforest.

Later in the morning, visit the welcoming community of San José de Paranapura. Here, you'll learn about daily life along the river, from traditions and crafts to the ways families live in harmony with their environment.

In the afternoon, set out on a skiff exploration of the Yarapa River. Its calm, winding waters are home to a wealth of wildlife, from playful monkeys to colorful birds. Each turn reveals a new glimpse of the thriving biodiversity that makes the Amazon so extraordinary.

DAY 5

• A FOND FAREWELL TO THE AMAZON

With warm hearts, our staff will bid you farewell as your journey comes to an end. At Nauta's port, our team will escort you by private vehicle back to Iquitos, a scenic 95-kilometer drive.

Before your flight, enjoy an interactive activity about melipona stingless bees and their crucial role in the Amazon ecosystem. We'll also visit the Amazon Research Center for Ornamental Fishes, where you can admire the Amazon's vibrant aquatic life—from giant arapaima to colorful freshwater stingrays. This final stop offers a beautiful farewell to the region's rich biodiversity.

Our team will assist with your luggage and check-in at Iquitos airport. At security, your guide and the Delfin crew will warmly say goodbye, hoping your Amazon journey leaves you with unforgettable memories.

BONUS TRACK

Once on board, your naturalist guide will introduce you to the enriching activities that await throughout your journey. From sunrise birdwatching to afternoon wildlife presentations, you'll have the chance to taste exotic jungle fruits you've likely never encountered and even try your hand at preparing a traditional local dish.

Each experience is designed to draw you closer to the Amazon –its flavors, its rhythms, and its hidden wonders. With warmth and care, we invite you to take part in every moment, to learn, to feel, and to savor a little more of this extraordinary world.

ESSENCIAL NOTES:

During your journey, enjoy nature walks with waterproof boots and rain ponchos provided for your comfort, kayak sessions in calm waters guided by a naturalist (weather permitting), catch-and-release fishing, and meaningful visits to local communities where small gifts like T-shirts, school supplies, toys, or candies are warmly appreciated by the children.

RECOMMENDATIONS:

Itineraries may change due to weather or river conditions, with excursions adjusted at the Delfin crew's discretion. Iquitos experiences warm, humid weather with temperatures ranging from 21°C to 33°C (70°F to 90°F). The rainy high-water season runs from January to June, and the dry low-water season from July to December, each bringing distinct changes in wildlife and landscape.

Pack light, breathable clothing, long sleeves, swimwear, soft-soled shoes, and bring layers like cardigans or wind-resistant jackets for cooler nights; waterproof boots and rain ponchos are provided.

To protect against insects, we recommend taking Vitamin B or B-15 before arrival, along with conventional repellents and bite creams. Don't forget sunscreen, a hat, sunglasses, and a camera with extra batteries, we will give you binoculars per cabin.

All of our vessels have WIFI connection on the third deck, we will share the password one you are on board. Tips are customary but not included; about US\$ 320 per passenger is suggested, shared among the crew and guides, with envelopes provided in your cabin. We also recommend bringing around US\$100 in small Soles denominations for purchases outside the main walk, especially at Fundo Casual, known for its beautiful wooden boards.
