# DAY 1

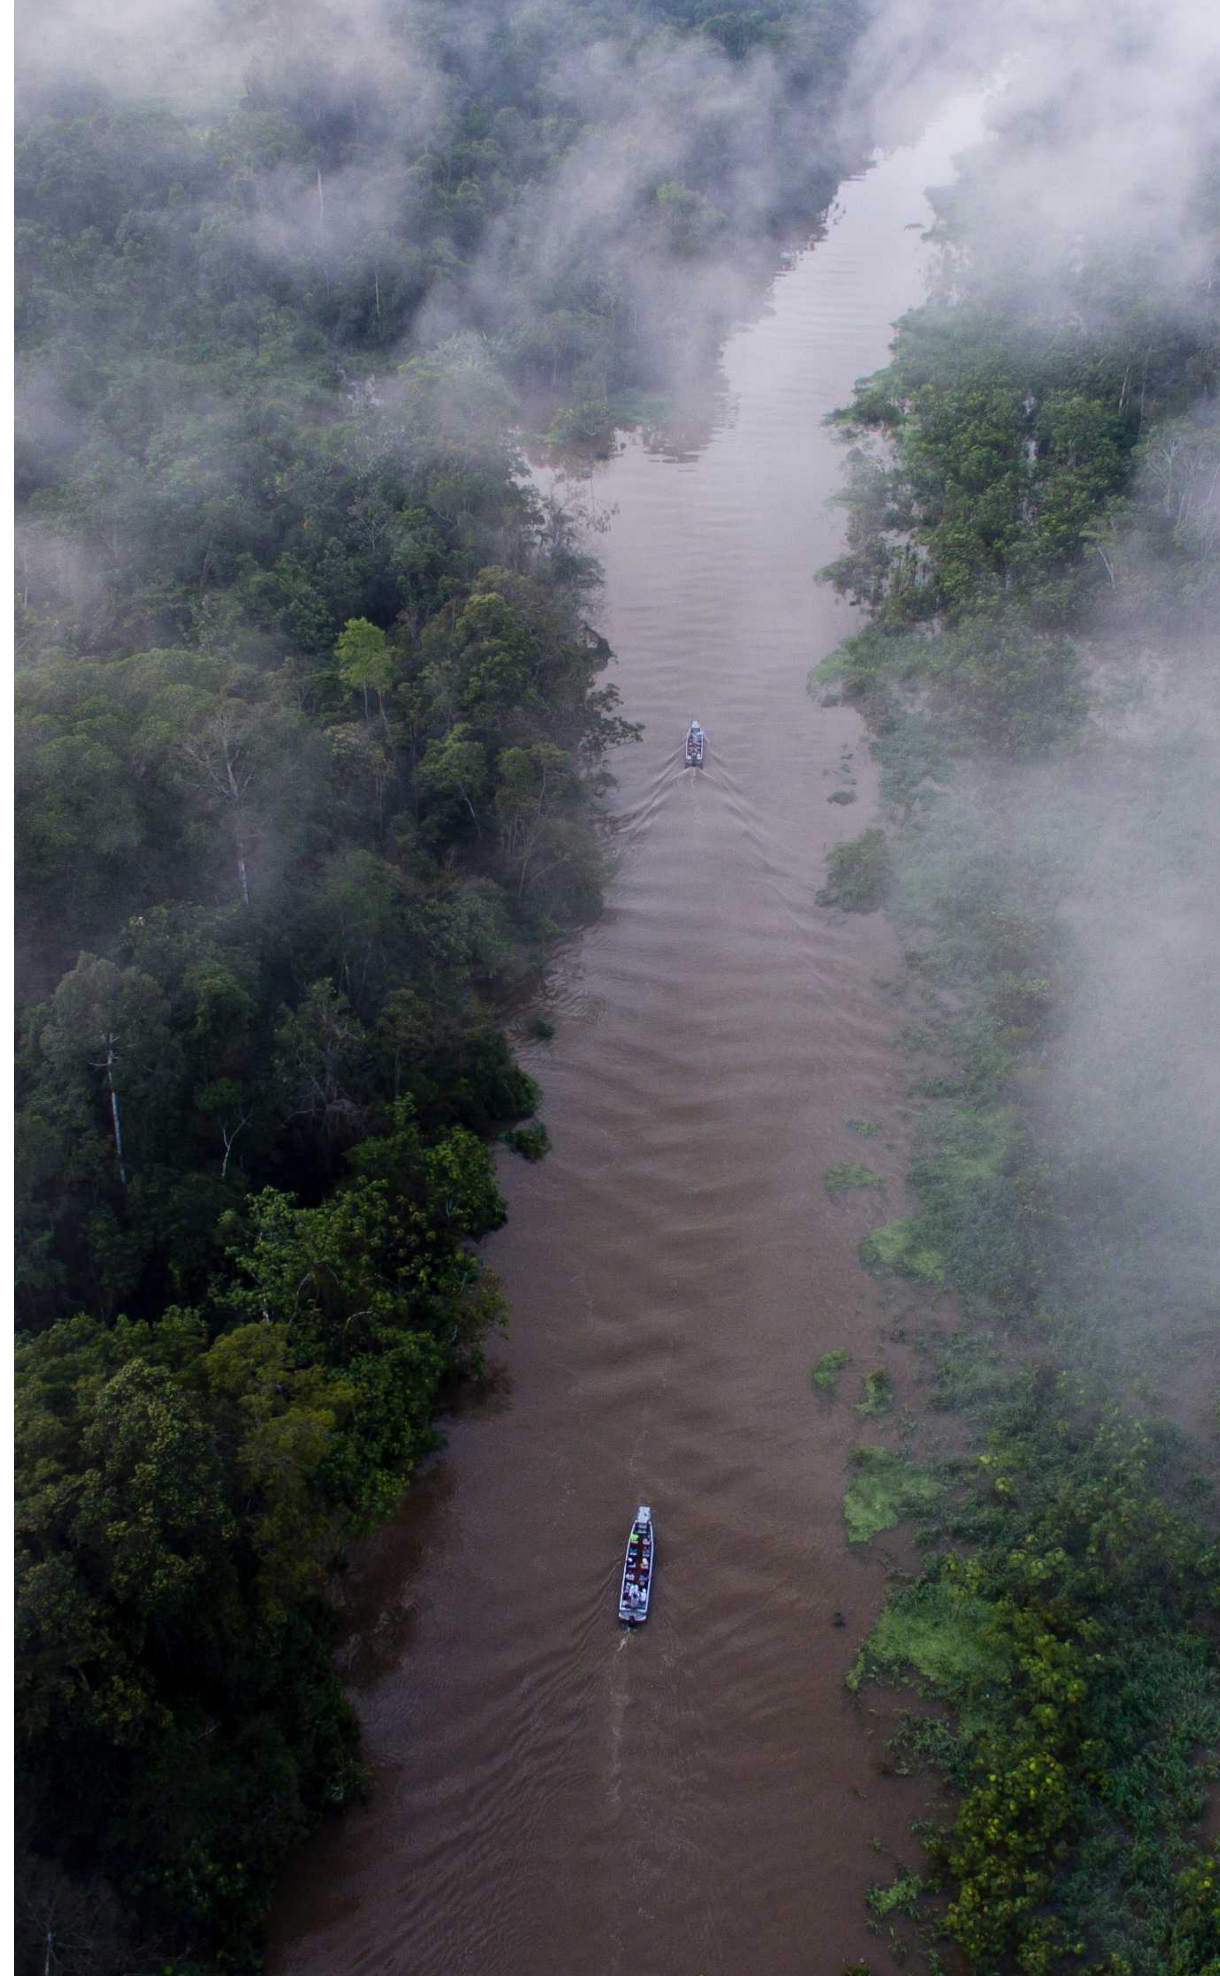

---

## ● EMBARKATION & FIRST ENCOUNTERS

Your journey begins in Iquitos, a vibrant gateway city surrounded by jungle and water. Our team welcomes you at the airport and accompanies you in comfort aboard our vehicles. As you journey toward Nauta, a nourishing lunchbox eases you into the rhythms of the rainforest.

In Nauta, one of the oldest towns in Loreto, you'll be greeted at our private embarkation port. Here begins your intimate encounter with the Amazon. Step aboard your Delfín vessel and settle into your suite, an oasis of calm crafted with local elegance, from handwoven details to natural cotton comforts.

As the vessel glides into the waters of the Marañón River, join your naturalist guide in the observation lounge for an overview of the journey ahead: its landscapes, wildlife, history, and wonder.

# DAY 2

---

## ● MYSTERIES OF THE FLOODED FOREST

At dawn, you set out to explore Yanayaquillo, where the rainforest awakens in full splendor. Colorful birds soar overhead while sloths rest quietly in the treetops, perfectly adapted to the rhythms of the Amazon.

Later in the morning, join a shaman for a traditional ceremony, an intimate moment that reveals the spiritual heart of the jungle.

By midday, the pristine waters of Yanayacu Pucate invite exploration. Enjoy a peaceful skiff ride, swim in the refreshing blackwater lagoon, or kayak as you take in the beauty that surrounds you.

After dinner, the day closes with a nocturnal exploration through Nauta Caño. Under the cover of darkness, caimans, owls, and other night creatures emerge, illuminated by starlight and the quiet guidance of your naturalist.

## DAY 3

---

### ● ENCOUNTERS OF RIVER AND FOREST

Begin your morning at Las Palmas, where the calm waters invite you to experience the traditional art of piranha fishing. This is a cherished Amazonian practice that connects you with the rhythms of local life.

Later in the morning, venture into the rainforest at Fundo Casual for a guided trail walk. Surrounded by towering trees and incredible biodiversity, you'll uncover the forest's hidden wonders and learn about the delicate balance that sustains this ecosystem. You'll also have the opportunity to engage with a local riverside community, gaining insight into their traditions, daily life, and deep relationship with the river.

In the afternoon, visit the Confluence, where two powerful tributaries meet to form the mighty Amazon River, a breathtaking natural spectacle.

## DAY 4

---

### ● A FOND FAREWELL TO THE AMAZON

With warm hearts, our staff will bid you farewell as your journey comes to an end. At Nauta's port, our team will escort you by our vehicles back to Iquitos, a scenic 95-kilometer drive.

Before your flight, enjoy an interactive activity about melipona stingless bees and their crucial role in the Amazon ecosystem. We'll also visit the Amazon Research Center for Ornamental Fishes, where you can admire the Amazon's vibrant aquatic life—from giant arapaima to colorful freshwater stingrays. This final stop offers a beautiful farewell to the region's rich biodiversity.

Our team will assist with your luggage and check-in at Iquitos airport. At security, your guide and the Delfín crew will warmly say goodbye, hoping your Amazon journey leaves you with unforgettable memories.

# BONUS TRACK

---

Once on board, your naturalist guide will introduce you to the enriching activities that await throughout your journey. From sunrise birdwatching to afternoon wildlife presentations, you'll have the chance to taste exotic jungle fruits you've likely never encountered and even try your hand at preparing a traditional local dish.

Each experience is designed to draw you closer to the Amazon: its flavors, its rhythms, and its hidden wonders. With warmth and care, we invite you to take part in every moment, to learn, to feel, and to savor a little more of this extraordinary world.

## ESSENCIAL NOTES:

During your journey, enjoy nature walks with waterproof boots and rain ponchos provided for your comfort, kayak sessions in calm waters guided by a naturalist (weather permitting), catch-and-release fishing, and meaningful visits to local communities where small gifts like T-shirts, school supplies, toys, or candies are warmly appreciated by the children.

## RECOMMENDATIONS:

Itineraries may change due to weather or river conditions, with excursions adjusted at the Delfin crew's discretion. Iquitos experiences warm, humid weather with temperatures ranging from 21°C to 33°C (70°F to 90°F). The rainy high-water season runs from November to June, and the dry low-water season from June to November, each bringing distinct changes in wildlife and landscape.

Pack light, breathable clothing, long sleeves, swimwear, soft-soled shoes, and bring layers like cardigans or wind-resistant jackets for cooler nights; waterproof boots and rain ponchos are provided.

To protect against insects, we recommend taking Vitamin B or B-15 before arrival, along with conventional repellents and bite creams. Don't forget sunscreen, a hat, sunglasses, and a camera with extra batteries, we will give you binoculars per cabin.

All of our vessels have WIFI connection on the third deck, we will share the password one you are on board. Tips are customary but not included; about US\$ 250 per passenger is suggested, shared among the crew and guides, with envelopes provided in your cabin. We also recommend bringing around USD\$100 in small Soles denominations for purchases outside the main walk, especially at Fundo Casual, known for its beautiful wooden boards.
